Dear Valued Customer

UPDATE: SUBMISSION OF EGAZETTE NOTICES, FROM 13 MAY 2022

The Government Printing Works has in the last few weeks experienced some IT challenges which affected the emails for obtaining quotations, submission of notices and the actual publishing of gazettes, leading to delayed publishing of some gazettes. We understand the inconvenience this occurrence has created for our valued customers, and we have worked and continue to work tirelessly to resolve the problems.

Please be advised that the Government Printing Work's (GPW) eGazette notice submission (submit.egazette@gpw.gov.za) and general enquiries emails (info.egazette@gpw.gov.za) are now functional. You are therefore kindly requested to revert to the use of these emails for general enquiries and quotation requests. When sending emails to the above emails addresses, you might receive UNDELIVERABLE or DELAYED delivery message. Please note that we are receiving those emails, and do not panic. We shall be constantly monitoring the stability of the system, to ensure that your submissions reach us at all times.

For further enquiries, kindly contact the following officials for assistance:
